

[Help Document – Create / Update / Delete Role](#)

Overview

The Create Role screen allows administrators to create new user roles within the application.

Navigation

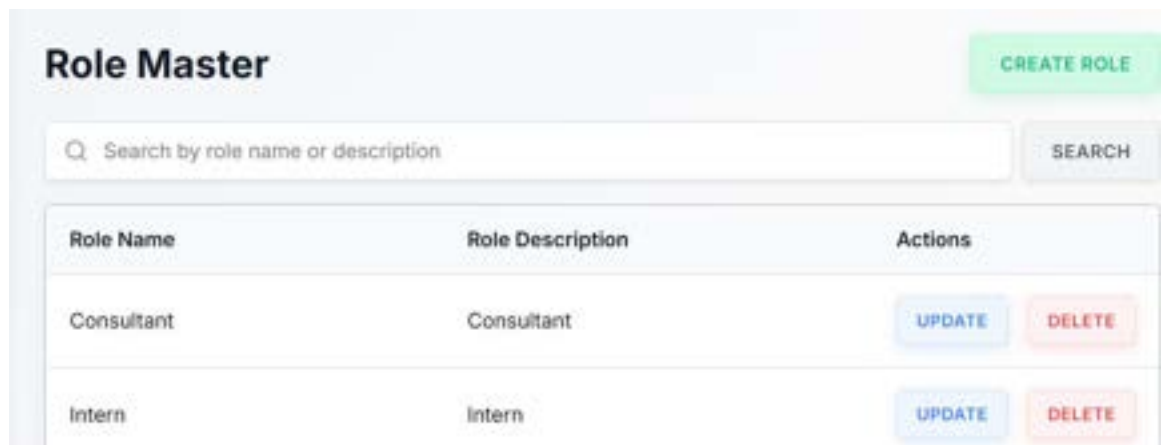

Masters → Role → Create Role

[Screen Description](#)

Field	Description
Role Name	Enter a unique role name.
Role Description	Enter purpose of role.
Submit	Save role.
Cancel	Discard changes.
Update	Modify a Role
Delete	Delete a Role

[How to Create a Role](#)

1. Open Masters → Role → Create Role.

The screenshot shows the 'Role Master' interface. At the top right is a green 'CREATE ROLE' button. Below it is a search bar with the placeholder text 'Search by role name or description' and a 'SEARCH' button. The main part of the screen is a table with three columns: 'Role Name', 'Role Description', and 'Actions'. The table contains two rows: 'Consultant' and 'Intern'. Each row has 'UPDATE' and 'DELETE' buttons in the 'Actions' column.

Role Name	Role Description	Actions
Consultant	Consultant	<button>UPDATE</button> <button>DELETE</button>
Intern	Intern	<button>UPDATE</button> <button>DELETE</button>

2. Enter Role Name.
3. Enter Description.

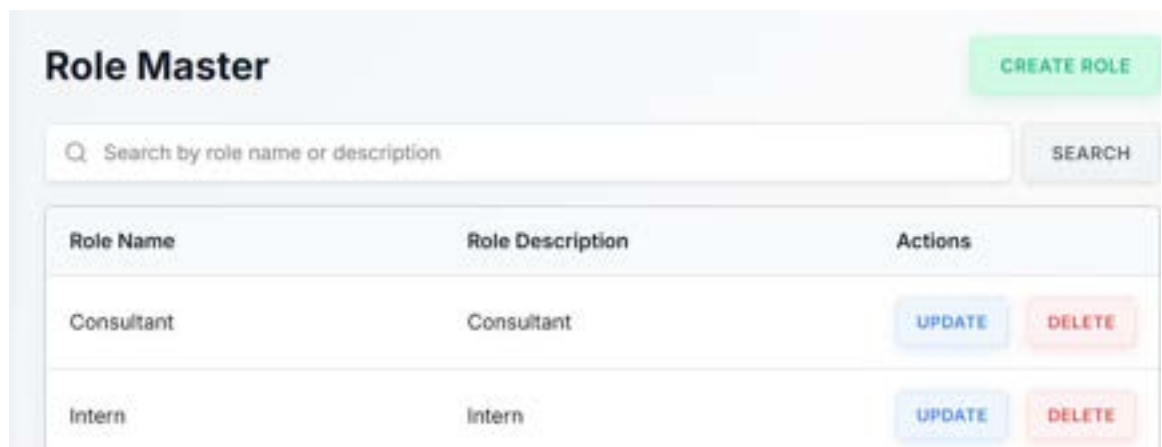

The image shows a 'Create Role' form. It has a title 'Create Role' at the top left. Below the title, there are two input fields: 'Role Name' and 'Role Description'. The 'Role Name' field is a single-line text box, and the 'Role Description' field is a multi-line text box. At the bottom right of the form, there are two buttons: 'CANCEL' and 'SUBMIT'.

4. Click Submit.

[How to Update a Role](#)

1. Masters → Role
2. Click on Update against the Role Name and Description

The image shows a 'Role Master' table. It has a title 'Role Master' at the top left. At the top right, there is a green button labeled 'CREATE ROLE'. Below the title, there is a search bar with the placeholder text 'Search by role name or description' and a 'SEARCH' button. The table has three columns: 'Role Name', 'Role Description', and 'Actions'. There are two rows of data: 'Consultant' and 'Intern'. Each row has 'UPDATE' and 'DELETE' buttons in the 'Actions' column.

Role Name	Role Description	Actions
Consultant	Consultant	<button>UPDATE</button> <button>DELETE</button>
Intern	Intern	<button>UPDATE</button> <button>DELETE</button>

3. On Click of Update below screen is displayed

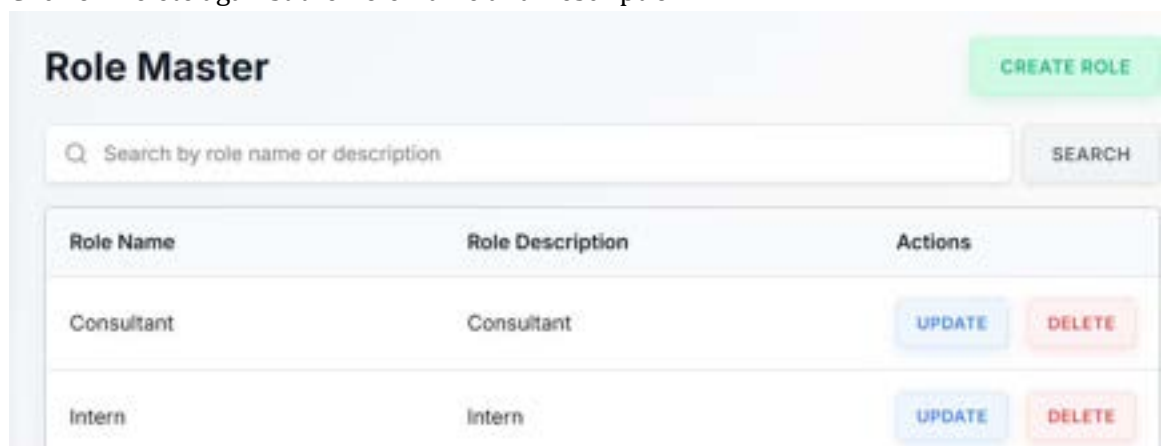

The 'Update Role' form is displayed with a title bar. It contains two input fields: 'Role Name' with the text 'Consultant' and 'Role Description' with the text 'Consultant'. At the bottom right, there are two buttons: 'CANCEL' and 'UPDATE'.

4. After changing the Role Name and/or Description. Click on Update.
5. On Click on Update Role gets Updated.
6. On Click of Cancel changes are discarded and return to List Screen.

How to Delete a Role

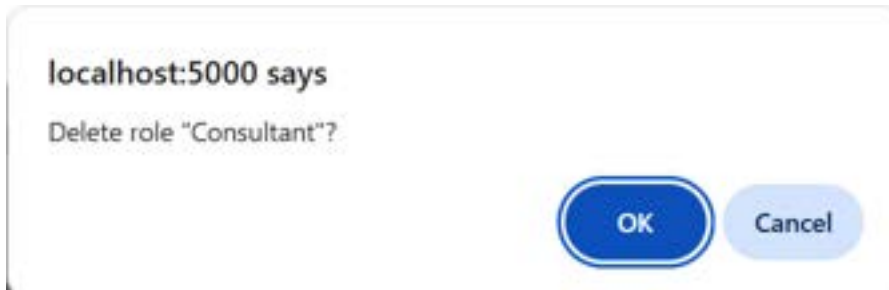

1. Masters → Role
2. Click on Delete against the Role Name and Description

The 'Role Master' table displays a list of roles. It includes a search bar at the top with the placeholder 'Search by role name or description' and a 'SEARCH' button. A 'CREATE ROLE' button is located in the top right corner. The table has three columns: 'Role Name', 'Role Description', and 'Actions'. The first row shows 'Consultant' for both name and description, with 'UPDATE' and 'DELETE' buttons in the actions column. The second row shows 'Intern' for both name and description, also with 'UPDATE' and 'DELETE' buttons.

Role Name	Role Description	Actions
Consultant	Consultant	<button>UPDATE</button> <button>DELETE</button>
Intern	Intern	<button>UPDATE</button> <button>DELETE</button>

3. Message is displayed

4. If OK then that ROLE is deleted.
5. If CANCEL then ROLE is not deleted.

Validation Rules

Role Name is mandatory, unique, max 100 chars. Description max 500 chars.

Business Rules

Only authorized administrators can create roles.

Expected Outcome

Role is created and available for permission mapping.
